

AOZ Studio Beta - Bug #291

Auto-complete working incorrectly.

03/04/2020 09:44 PM - Brian Flanagan

Status: Closed	Start date: 03/04/2020
Priority: Normal	Due date:

Category:	Estimated time: 0:00 hour
Target version:	
Affected version: 0.9.6	

Description

There are several problems with the auto-complete function in the VSCode IDE for AOZ. Here are a few of them:

1. Auto-complete is active inside quoted strings. It should be off.
2. Auto-complete is active inside comments. It should be off.
3. Auto-complete tries to add an extra quote at the end of a quoted string.
