Description

Related to Issue #402

These **SHOULD BE**:

Cup$** should be **Chr$(30) ' embedding this ***should*** move the text cursor up 1 line.
Cdown$** should be **Chr$(31) ' embedding this moves the text cursor down 1 line (the only one that works - but with the wrong value)
Cleft$** should be **Chr$(29) ' embedding this ***should*** move the text cursor left 1 character
Cright$** should be **Chr$(28) ' embedding this ***should*** move the text cursor right 1 character.

Instead, all of them are set to Chr$(36)!

The only one that functions is **Cdown$**, but as I said, it's value is wrong!
