

AOZ Studio Beta - Bug #465

Rainbow lines are offset, and there are gaps between the rainbow lines.

09/03/2020 07:22 PM - Brian Flanagan

Status:	In Progress	Start date:	09/03/2020
Priority:	Normal	Due date:	
Assignee:	AOZ Studio Team	% Done:	0%
Category:		Estimated time:	24:00 hours
Target version:			
Affected version:	Beta RC3		
Description			
Example code: (see attached snapshot for results)			
<pre>#manifest:"amiga" #fullScreen:true #splashScreen:false Screen Open 0,320,256,32,Lowres Palette 0,\$FFFFFF Cls 0 set rainbow 0,0,255,"", "", "" Rainbow 0,0,0,255 for y=0 to 255 rain(0,y)=y next Ink 1 : Box 0,0 To 319,255 wait key</pre>			
They're offset both horizontally as well as vertically.			

History

#1 - 09/16/2020 01:57 PM - Brian Flanagan

- Estimated time set to 24:00 h

#2 - 09/27/2020 05:13 PM - Francois Lionet

- Status changed from New to In Progress

This is a very tough one, it is due to the speed of the drawing of the rainbows. If you run the application on a smaller screen, then rainbows work fine. On hold for the moment.

#3 - 10/04/2020 10:55 PM - Brian Flanagan

- Affected version changed from 0.9.9.4-RC1 to Beta RC3

Still a problem in Beta RC3.

I'm not sure what you mean by a smaller screen. It's only 320x256!

I even tried 160 x 128... with the same results!

The AOZ manifest is even worse.

I just get a black screen.
