

AOZ Studio Beta - Bug #673

Esc doesn't close the documentation window once you click in the main doc area

02/24/2021 07:20 PM - Paul Kitching

Status:	Closed	Start date:	02/24/2021
Priority:	Normal	Due date:	
Assignee:	Baptiste Bideaux	% Done:	0%
Category:		Estimated time:	0:00 hour
Target version:			
Affected version:	1.0.0 (B4)		
Description			
<p>Click the ? icon, then click in the main documentation area, then press Esc. It doesn't close. It does before you click the window. Also, I think the X to close should be moved up, as I spent about 5 minutes trying to close it. Esc didn't work, and I didn't see the X as it's not near the corners of the window where I was expecting it to be.</p>
