Description

In the French version of the User Guide, Control\$="Keyboard" is supposed to allow the control of an Actor with the keys "Q, S, Z, D" or "A, S, W, D".

Only the arrows are taken into account (the other keys do not work).

par défaut, les touches utilisées par le Control\$="Keyboard" sont les 4 touches fléchées et les touches Q S et Z D, et pour clavier Anglais QWERTY A S et W D.
