AOZ Studio Beta - Bug #833

Images are not imported from AMOS games

09/23/2021 08:55 PM - Jason Wroe

Status:	Feedback		**Start date:**	09/23/2021
Priority:	Normal		**Due date:**	
Assignee:	Francois Lionet		**% Done:**	0%
Category:			**Estimated time:**	0:00 hour
Target version:	none			
Affected version:	1.0.0 (B10) u16			

Description

images or hotspot data is not getting imported from the AMOS game.

History

#1 - 09/23/2021 09:21 PM - Jason Wroe

Also the info.json file is not created with all the hotspot offsets.

#2 - 09/28/2021 02:56 PM - Francois Lionet

- Status changed from New to Feedback

- Assignee set to Francois Lionet

Just tried: it works... Can you send me the .AMOS file?
