Can you verify this with some code? I've tested it in both manifests, and it seems to be working.

#### #2 - 11/13/2021 09:23 AM - malcolm harvey

Ok ill go try and reproduce again..

Strange I was doing this previously and they did give error. eg: Below in my main code when it hit the Erase ALL.  
I did run this sep after this ticket and it works fine.

```
..  
Reserve As Work 6,12000  
Erase Temp  
Erase All
```
