AOZ Studio Beta - Bug #880

Multiple Word searches no longer work when searching for help.

12/21/2021 01:02 PM - Brian Flanagan

Status: Start date: New 12/21/2021

Priority: High Due date:

Assignee: Baptiste Bideaux % Done: 0%

Category:

Estimated time: 0:00 hour

Target version: none Affected version: 1.0.0 (B11) u17

Description

I can now type "Length" and get all commands relating to Length.

That's wonderful, however, I can't type "Text Length" or Zones Length" or "Frame Length" to get a specific result any more.
