IDE : trailing " on URL

04/12/2022 03:35 PM - Baptiste Pillot

Status:	Resolved	Start date:	04/12/2022
Priority:	Normal	Due date:	
Assignee:	Baptiste Bideaux	% Done:	0%
Category:		Estimated time:	0:00 hour
Target version:	1.0.0 (B17)		
Affected version:	1.0.0 (B12) u19		

Description

When I run my program using my default browser, the URL sent to the browser looks like that :

```
http://127.0.0.33:6502/index.html?forced=1649777568323"
```

There is a trailing " (%22) that is useless.

(target version : B13)

I see it was fixed by commit 4221218c (2022-08-16) into aoz-studio-view.js after case 'browser': : will be ok for the next release.
